Dear Foez

**Re: *Criminal conduct***

I refer to the above.

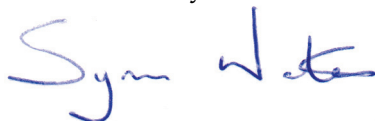

As has been made clear in my E-mails to the Honourable T F Bathurst, Chief Justice of the Supreme Court of NSW, of 4<sup>th</sup> June 2021 (as copied to you), clear criminal conduct has taken place, with, and as you well know, your direct involvement in same.

Some time ago, I was talking in the street to an ex-partner of Turner Freeman Lawyers, who said to me "*Foez loved Terry Goldberg. He would have licked Terry's balls if Terry had asked him to.*"

Whether you licked Terry Goldberg's balls or not is unknown to me, however, you most certainly did carry out criminal acts on his behalf. In the meantime, you have shown no remorse, nor have you made any effort to redeem yourself or even remedy the situation.

At some point you will be called to reckoning. I will wait.

Yours faithfully

Symn Waters
